Research & Data Visualization  
Sports  
Tourism & Hospitality  
Zoos, Theme Parks

Constant Change Media Group (CCMG), founded by Keram Malicki-Sanchez in 2005, produces VRTO, Canada's largest conference and expo devoted to Immersive technologies that include Virtual, Augmented, and Mixed Reality. We also produce Canada's international VR/AR Stories Festival, FIVARS. CCMG can help you get an immediate headstart and competitive advantage in this industry through a variety of services.

We invite you to contact us about your project, product or business to see how we can optimize, maximize and future-proof your strategy and investment in this rapidly-changing space.

With offices in Toronto and Los Angeles, we will help you find the personnel, equipment, platform or advice you need to make your project competitive with the best in the industry.

## CCMG's services include:

Project Consultation  
VR & AR Event Production  
Content Production  
Public Speaking / MCing / Moderating  
Human Resources  
Networking and Training Events  
VR Equipment Rentals  
Promotion  
Social Media Marketing  
Search Engine Optimization
